The following details act as your login details and must match our records: parent name, student name and student date of birth.

You do not need a separate username and password.

After you have made your appointments, you can choose to print or e-mail a confirmation. Please check any junk/clutter folders if you have not received the email.

To join your appointment or test your camera/microphone:

On the day of your appointments (or before if you want to test your camera/microphone) login to TES Parents' Meetings/SchoolCloud at the web address shown above, or click the login link from the bottom of your appointment confirmation email.

In order to make video calls you need to have as a minimum:

a device with a microphone and speaker/headphones

Android: Chrome, Firefox or the Samsung Browser

Windows: Chrome, Firefox or Microsoft Edge (Chromium - [download here](#))
