Dear Parent / Carer

Year 11 Parents' Information Evening – Wednesday 23rd September 2026

It is a real pleasure to welcome Year 11 pupils back to school and staff have commented on how impressed they have been with their focus, positivity and engagement in lessons. The Senior Leadership team and I have visited a number of lessons already this term and echo those sentiments entirely. Year 11 is a demanding year and we will continually reiterate the message to our pupils that we are here to support and guide through the year ahead.

We appreciate that this year is equally challenging for parents and so we are again holding a Year 11 Parents' Information Evening. The aim of this evening will be to provide you some information on the following topics:

- GCSE Exam preparation. How as parents you can support your child in this aspect
- Support for pupils in securing English and Maths – a critical combination
- How we will support pupils with their mental health and wellbeing
- Attendance – the impact of positive attendance on your child's GCSE outcomes
- Post-16 options – we will be joined by representative from our local sixth form providers
- Key dates, events and information available throughout the year

The format of the meeting will largely be conveying information to you. There will be an opportunity to speak to member of the senior leadership team post the presentation. It is not intended to be a lengthy meeting and for those of you who are unable to make it, we will put the presentation on the school website for you to access.

The meeting will take place **on Wednesday 23rd September 6pm – 7pm** and be led by myself and other senior members of staff along with Mrs Hilton, Head of Year 11.

Yours sincerely
